

EYE BOLTS & EYE NUTS

We are a leading UK producer of standard and bespoke Eye Bolts and Eye Nuts.
Sizes ranging from M6 to M100 and up to 6 meter length.

We are Europe's largest manufacturer of standard and fully bespoke eye bolts and eye nuts. Forged blanks are held in stock ready for rapid conversion and despatch to our client's exact requirements.

A fully equipped tool room with the latest CAD and CAM software enables us to rapidly manufacture tooling for the production of non-standard eye bolts to suit customer specifications.

OUR EYE BOLT & EYE NUT RANGE INCLUDES:

- Palm Eye Bolts (Straight Sides)
- Shackle Eye Bolts (Curved Sides)
- DIN 444 Eyebolts
